...RESPONDENTS

ORDER:

Petitioner questions the apprehended action of the official respondents in permitting the first respondent to shift his wine shop to the locality of the petitioner.

2. Counter has been filed on behalf of the respondents 2 to 5 stating that the application of the first respondent for shifting his wine shop was strongly recommended to be rejected, therefore, it is incorrect to state that the official respondents are favourably considering the case of the first respondent.

3. In view of the aforesaid counter, I am of the opinion that no orders need be passed in the writ petition.

The writ petition is accordingly dismissed with a liberty to the petitioner to file a fresh writ petition as and when the official respondents consider the request of the first respondent. There shall be no order as to costs.
